To Whom it May Concern:

This letter is in response to your request for further information about our organization, **International Christians in Communion**, in order to validate our request for a non-profit version of QuickBooks.

To clarify, this organization has been operating more than 20 years under a different non-profit organization, Christians in Commerce International (CIC) DBA WorkLight. The successful outreach in Uganda has expanded beyond WorkLight's original mission, and WorkLight chose to spin off the Uganda outreach into a separate non-profit organization. *(Please see attached FLAME newsletter, Page 7 "Partnership in Uganda Begins New Phase" for further clarification.)*
