MARRIAGE AND FAMILY RENEWAL MINISTRY

To bring Christ to all people, we feel a special call to renew marriage and family life. As the domestic Church and the first school of morals and Christian living, the family needs renewed evangelization. Yet too little time and too few resources are devoted to strengthening the family, the nucleus of society and a foundation of the Church.

Through the Marriage and Family Renewal Ministry, we help couples see that marriage and family are God's design. Entering marriage is a response to God's call—a vocation—and it flourishes when it is lived with God and according to His purposes.

Where God is not placed first, many homes are marked by conflict—hatred, violence, separation, and divorce. Our primary aim is therefore to bring Christ to couples and families, especially where evangelization has remained basic. We do this through practical teaching in key areas:

- Forgiveness and patience in marriage—so irritation does not grow into resentment, hatred, or violence.
- Communicating love—expressing care in words and actions so love is clear and felt.
- Quality couple time—building healthy conversation skills, including how to share concerns and express hurt appropriately.
- Mutual respect—preventing familiarity from drifting into disrespect, because respect is essential for harmony.
- Evangelizing culture and tradition—challenging practices that conflict with the Gospel and embracing the culture of God's Kingdom.
- Parenting with love and guidance, balancing authority and discipline with compassion to protect children's wellbeing.
- Prayer in the home—encouraging couple prayer and family prayer to strengthen bonds.
- Emotional management, especially anger—learning to respond thoughtfully rather than reactively.
- Alcoholism—campaigning against excessive drinking and supporting spouses seeking freedom from addiction.
- Unity in planning and finances—working, planning, and managing resources together with mutual accountability.

688 MEN ATTEND ICIC St. Joseph Day Workshop Training for Fathers and Husbands

ICIC received a request from the diocese of Fort Portal to organize a workshop/retreat for the day of St. Joseph, husband of Mary. This was a day for all husbands and fathers throughout the diocese.

The Theme was: "A husband like St. Joseph."

Six hundred eighty-eight husbands participated at 18 locations.

Two talks were given:

1. Husband, God's ambassador in the home.
2. Gentle and Meek Husband.

This significant and unexpected service to the Diocese of Fort Portal by the ICIC Leadership team was blessed by the Holy Spirit and much appreciated by the attendees and the Diocese.

All praise to God!

YOUR GIFTS

Your gifts help in all aspects of the International Christians in Communion Ministry.

Your gifts support many aspects of the ministry in Uganda. Thank you for your generosity. Recently ICIC responded to a call to provide workshops for the men of a diocese while still providing other ministries scheduled for the month. While the additional activity was not in their budget, ICIC was able to rally and positively respond.

Your gifts support us in our mission to be ***Christ at Work, at Home, and in Community.***
